MEMORANDUM FOR: Deputy Director for Administration  
FROM: Director of Central Intelligence  
SUBJECT: Civil Service Reform Act

I'd appreciate your taking a good look at the Civil Service Reform Act and letting me know which provisions are mandatory for us and will change the way we do business, and which provisions from which we have exemption we should attempt to conform to insofar as possible. In short, I was asked the other day by one of our employee groups whether there will be changes in our personnel policy programs that we have initiated as a result of the Civil Service Reform Act. I frankly could not answer the question.

MEMORANDUM FOR: General Counsel  
FROM: Director of Central Intelligence

From my memory I think we didn't get a decision from the President on the issue in Title I as to whether the DNI should be separable from the head of the CIA. Is that your recollection or do we have any guidance in that area?

Do we have the legal authority to pay transportation for employees and dependents who are taking authorized R&R to the United States rather than to some overseas R&R point?
